RE: REFERENCE FOR MJ SMITH GROUND PREPARATION PTY LTD

I write to provide reference for MJ Smith Ground Preparation for whom our company provided construction materials quality testing services on the recently constructed St George Flood Mitigation Levee, Stages 1 to 3.

Via this association with the project's prime contractor we found them to be a highly professional company. Their adherence to safety, quality and environmental standards is exemplary.

I would not hesitate to recommend the services of MJ Smith Ground Preparation for any civil construction project.

Should you require any additional information please do not hesitate to contact this office.

Yours sincerely,

A blue ink handwritten signature, appearing to read "Peter Kenyon", with a long horizontal stroke extending to the right.
